

# Happy-Endings :D

Press release

## Welcome to our world of Happy-Endings!

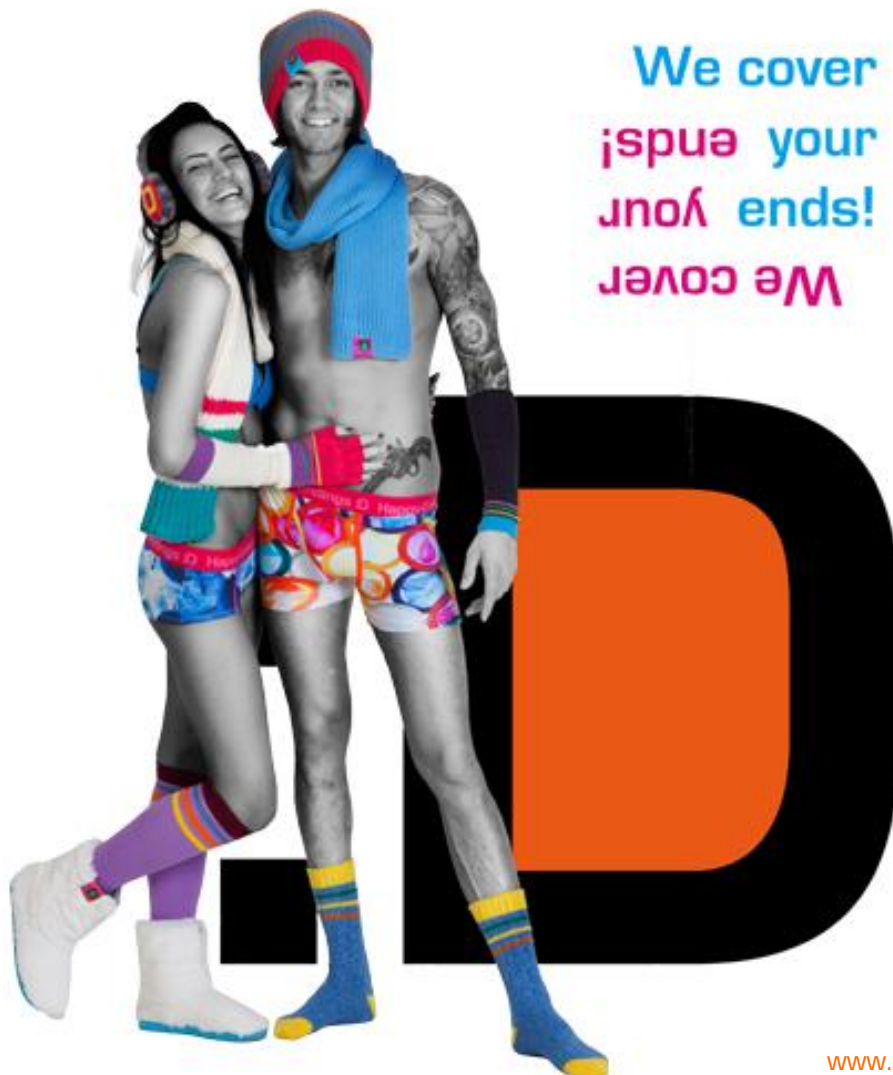

We are on a tough mission. Our goal is to make the world a little happier by offer “endings” that make the user of our clothes, and the people they meet - smile BIG!

Our concept is unique. No other brands specializes in just making products for the body-ends, and designs these garments so it all looks Cool, Sexy, Sporty, Humorous, Fresh and Young together.

We want to build and grow a global brand that offers a sporty lifestyle experience, whilst constantly stimulate and innovating our product-designs to inspire and excite. SPORT meets STREET and happiness is the outcome!

You will find us at the fashion-fair at Terminal 2 in Copenhagen 2.- 4. February at boot T082.
